The Honorable Charles E. Grassley, Ranking Member

Office #224

Dear Chairman Durbin and Ranking Member Grassley:

I am writing on behalf of the Children's Advocacy Center of Suffolk County to convey our strong support for the nomination of Suffolk County District Attorney Rachael Rollins for the position of United States Attorney for the District of Massachusetts.

The Children's Advocacy Center of Suffolk County is a community-based nonprofit organization providing services and support for children impacted by violence and abuse. Serving the communities of Boston, Chelsea, Revere and Winthrop Massachusetts, we bring together police, prosecutors, social workers, medical and mental health experts to offer safety, healing and justice for each child and family in need.

The Suffolk County District Attorney's Office is among our closest partners in this work. In her role as Suffolk County District Attorney, DA Rollins is a leader who clearly prioritizes the needs of children and families – bringing an approach which is both victim-centered and squarely focused on offender accountability. Her support is evident not only in the many resources that she dedicates to victim services but also her personal support of and outreach to survivors.

District Attorney Rollins leadership is imbued with intelligence, empathy, determination, and courage. We encourage you to confirm DA Rollins and look forward to working with her as she brings her unique vision and leadership to the Commonwealth as U.S. Attorney for Massachusetts,

Very truly yours,

Elisabeth Schadae Percelay
Chair, Board of Trustees
