The Honorable Patty Murray  
Chair  
Senate Committee on Appropriations  
Washington, D.C. 20510

The Honorable Susan Collins  
Vice Chair  
Senate Committee on Appropriations  
Washington, D.C. 20510

The Honorable Brian Schatz  
Chair  
Subcommittee on Transportation,  
Housing and Urban Development,  
and Related Agencies  
Washington, D.C. 20510

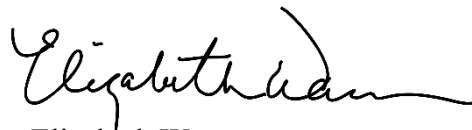

The Honorable Cindy Hyde-Smith  
Ranking Member  
Subcommittee on Transportation,  
Housing and Urban Development,  
and Related Agencies  
Washington, D.C. 20510

Dear Chair Murray, Vice Chair Collins, Chair Schatz, and Ranking Member Hyde-Smith:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2025 Transportation, Housing and Urban Development, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. None of the entities for which I have requested congressionally directed spending are for-profit entities.

Thank you.

Sincerely,

Elizabeth Warren

**Warren, Elizabeth(D-MA) Transportation Housing and Urban Development  
Congressionally Directed Spending Requests**

<b>Recipient Name</b>	<b>Project Purpose</b>	<b>Project Location</b>	<b>Amount Requested (\$000)</b>
Boston Area Gleaners, Inc.	Boston Area Gleaners, a food security non-profit, will complete construction of a cold storage and transportation hub providing critical infrastructure for the local food system, create logistical efficiencies for farms and food access organizations, and increase access to fresh food in MA.	Acton MA	\$3,200
City of Attleboro, Massachusetts	This project will allow the city to replace a 19-year-old ladder truck with a new front-line ladder truck for our fire department. Additionally, our population of residents over the age of 60 is growing and research indicates this means an increased risk of kitchen fires.	Attleboro MA	\$1,500
City of Attleboro, Massachusetts	The purpose of this project is to renovate the 114-year-old Newell Shelter because it is a centerpiece of Capron Park and is a popular gathering place for thousands of residents and guests for entertainment, community programs, and private events near the downtown area.	Attleboro MA	\$750
Peace Properties, Inc.	Ayer Commons will be a two-phase, all-affordable, LIHTC, 106-unit, new construction, Passive House development near the Devens Enterprise Zone, which needs rental housing for its growing labor and professional workforces.	Ayer MA	\$4,000
Woods Hole, Martha's Vineyard and Nantucket Steamship Authority	The Authority launched a shuttle bus replacement program to convert its entire diesel-powered shuttle bus fleet to electric/hybrid shuttle buses. The Authority intends to annually replace two or more diesel-powered electric/hybrid buses until the entire fleet of 35 vehicles is electric.	Barnstable MA	\$2,000
Boston Housing Authority	To improve building conditions and modernize units within the state-assisted Fairmount housing community.	Boston MA	\$1,000
2Life Communities Development, Inc.	Creation of a community center in the Treehouse at Olmsted Village for the benefit of foster children and seniors.	Boston MA	\$1,500
St. Francis House	St. Francis House, the largest day shelter for homeless and low-income individuals in Massachusetts, is renovating its main shelter at 39 Boylston Street, Boston to modernize the facility and better facilitate access to suite of treatment options for its guests.	Boston MA	\$1,000
Children's Services of Roxbury, Inc.	Children's Services of Roxbury requests support to renovate and transform its headquarters into the Center for Family Well-being to increase programming and add many career-oriented jobs.	Boston MA	\$5,000
Boys And Girls Clubs of Dorchester, Inc	The purpose of the Marr-McLaughlin Campus Revitalization Project is to support key renovations that will promote the public's usage of Boys & Girls Clubs of Dorchester's youth development facilities while also enhancing energy efficiency and reducing their carbon footprint.	Boston MA	\$1,500
Boston Housing Authority	Construction of Archdale Community Park to serve residents in the Archdale Village public housing complex and surrounding neighborhood.	Boston MA	\$1,300

Women's Lunch Place (46860)	Preserve and revitalize two historic lodging houses in Beacon Hill Permanent Supportive Housing (PSH) for chronically homeless women in Boston. This safe, secure, women's housing will stabilize and advance women who have experienced gendered violence, racism, trauma, and poverty.	Boston MA	\$3,000
The Children's Museum	Boston Children's Museum requests funding to reduce MEP systems' vulnerabilities by relocating/protecting critical infrastructure, safeguarding the future of Boston's beloved anchor institutions. This project would help continue the Museum's enriching learning experiences to underserved communities.	Boston MA	\$4,000
Codman Square Neighborhood Development Corporation (CSNDC)	St. Matthews Housing will adaptively re-use three historic buildings on a former Catholic Church campus and build a new structure on a vacant parcel along Norfolk Street creating a total of affordable housing units comprised of rental units and affordable homeownership units.	Boston MA	\$1,500
EAST BOSTON SOCIAL CENTERS INC	To purchase a building to house and expand our teen, elder, ESL, and citizenship programs, to provide community meeting space, and to offer space to other community providers to make the site a hub of services for the Eastie community.	Boston MA	\$7,000
Veronica Robles Cultural Center	The Veronica Robles Cultural Center is requesting funding to support the acquisition, design and redevelopment of a former industrial building into a 56,000 SF multi-purpose arts and culture center that will spur cultural and equitable economic development in underserved East Boston neighborhoods.	Boston MA	\$5,000
Victory Programs, Inc.	This is a building project in the Jamaica Plain area to ensure women in need of substance use recovery have equal access to residential recovery services while still being able to live with and care for their children.	Boston MA	\$2,500
Hyde Square Task Force	The Blessed Sacrament project is the adaptive reuse of a historic church in Hyde Square. This landmark building, vacant for 20 years, will be transformed into units of much needed affordable housing featuring a community space for the residents of Jamaica Plain.	Boston MA	\$2,000
St. Mary's Center for Women and Children	Will support the construction of 71 new units of Permanent Supportive Housing designed for families exiting Adult Family Shelter programs. These units, eligible for households earning up to 30% AMI, will include support services to ensure those most vulnerable not only secure, but maintain housing.	Boston MA	\$2,000
The Trustees of Reservation	Acquisition of a vacant lot to conversion to a community garden and conversion of a pre-owned parcel into a community garden. Remediate soil at one community garden and improve accessibility at 5 more gardens allowing for better gardening access in 5 neighborhoods benefiting low/moderate residents.	Boston MA	\$1,471
EAST BOSTON SOCIAL CENTERS INC	Establishment of the Eastie Hub - a central place for Eastie residents to access new and expanded programs and services.	Boston MA	\$691
Victory Programs, Inc.	Victory Programs requests building/renovation funding for continued development of a demonstration pilot program targeting the at-risk populations of all adult women who are homeless, and addicted to opioids and other substances abuse addiction, making them vulnerable targets of human trafficking.	Boston MA	\$2,500
Louis D. Brown Peace Institute	The Louis D. Brown Peace Institute is constructing a new Center of Healing, Teaching, and Learning. This Center provides a space to deliver essential services and a platform for extending our reach, amplifying our mission to serve families and communities impacted by murder, trauma, grief, and loss.	Boston MA	\$20,000

Massachusetts Port Authority (Massport)	Microgrid Feasibility Study would assist Logan International Airport with needed resiliency and build on continued decarbonization and greenhouse gas reduction efforts. Massport's goal is net zero for sources under our direct control by 2031.	Boston MA	\$1,425
Breaktime United, Inc.	Breaktime envisions a world where young adult homelessness is rare and non-recurring. By 2030, we will work to make Massachusetts the first state to ever achieve functional zero young adult homelessness.	Boston MA	\$3,125
Huntington Theatre Company Inc	The Huntington is conducting a transformational renovation and expansion of its beloved historic home, the Huntington Theatre. Now in phase 2 of the project, the theatre will add a new, expansive 14,000-square-foot lobby, a new entrance, and larger public spaces to better serve the community.	Boston MA	\$1,000
Roxbury Community College	Funding will enable RCC to substantially complete interior construction on its new Center for Economic and Social Justice (CESJ). The CESJ will provide training in clean/green energy fields and address opportunity gaps affecting Boston's communities of color.	Boston MA	\$6,600
Grove Hall Neighborhood Development Corporation	A transformational project to utilize the wealth center of Black Boston, senior homeowners, to create generational Black wealth, stop gentrification and produce 1500 new Black and Latino homeowners.	Boston MA	\$3,000
Young Men's Christian Association of Greater Boston, Inc.	The YMCA and many partners are developing a collaborative food hub where we can receive, store, pack, and distribute thousands of pounds weekly of free food to food insecure Boston residents.	Boston MA	\$2,304
Boston Soccer 2026 Corp.	We envisage that the seed funding for Boston Soccer 26 Legacy and Impact efforts can trigger a sustainable self-funding mechanism that would result in a substantially higher return-of-investment that direct funding of projects.	Boston MA	\$3,000
Boston Planning and Development Agency	This grant will pay for an ADA-accessible ramp and social amenities to complete a one-mile Boston Harborwalk loop around Charlestown's Little Mystic Channel.	Boston MA	\$1,800
Soccer Unity Project	Soccer Unity Project reimagines soccer as a tool for community-building and equity, offering free premier-level programming for girls in Boston, addressing systemic barriers to participation. By providing accessible pathways, we challenge exclusionary norms, aiming to foster inclusivity.	Boston MA	\$350
Sportsmen's Tennis & Enrichment Center	Campaign for Community adds and improves facilities and free/low-cost programs for more than 5,000 youth and 1,000 adults annually, offered at Sportsmen's Dorchester campus. We partner with the Boston Public Schools and others to provide health, wellness, social and academic programs, year-round.	Boston MA	\$3,846
U.S.S. Constitution Museum	A \$1.5 million appropriation to the USS Constitution Museum to support design development of the New Museum in the Gateway Center would advance this public-private partnership by developing a bid package. The project would then be "shovel-ready," providing a world-class introduction to "Old Ironside	Boston MA	\$1,500
Easterseals Massachusetts, Inc. (ESMA)	ESMA seeks funding to improve its facilities and therefore increase summer programming and onsite rehabilitation services for low-income disabled individuals.	Bridgewater MA	\$1,393
Associação Cabo Verdiana de Brockton, Inc/the Immigrant Assistance Center of Greater Brockton	The purpose of this project is to borrow on our experience as a Community Navigators for small business support. We will use the funds to hire multilingual community advocates from Caribbean communities to conduct outreach throughout the small business community and identify new small businesses.	Brockton MA	\$350

Ascentria Community Services Inc.	Funding will be used to support the renovation of Ruth House – a historic building in Brockton, MA providing stable housing and comprehensive co-located supportive services to 10 low-income, single, teenage mothers (and their families) at significant risk of homelessness.	Brockton MA	\$500
Neighborhood Housing Services of the South Shore, Inc. d/b/a NeighborWorks Housing Solutions	The Historic Grayson Hotel and Liberty on Legion Project will bring mixed-income affordable housing units and retail space for a community bank and NHS's housing services to downtown Brockton. It includes the renovation of a vacant hotel and transformation of an adjacent commercial building.	Brockton MA	\$2,500
City of Brockton, MA	The Salisbury Brook box culvert under Eldon B. Keith Field needs significant rehabilitation to mitigate flooding risk and future infrastructure failure. This is critical to advancing access to childcare, health services, and positive youth development in Brockton.	Brockton MA	\$1,500
Old Colony Planning Council	The Regional Sewer Study will serve to strengthen the economic resilience and recovery from the impacts of COVID-19 in the Old Colony Region through the analysis and study of sewer resources for future development.	Brockton MA	\$1,150
Old Colony Planning Council	The request to undertake a regional policy plan is essential for fostering sustainable development and enhancing quality of life across the region. Our proposed project will act as a comprehensive roadmap, guiding decision-making processes to manage growth and more.	Brockton MA	\$600
Town of Brookline	A three-year pilot of a free rideshare transit program for senior citizens and individuals with mobility limitations living in Brookline, MA. The program will provide some of the community's most vulnerable members with equitable access to services such as grocery stores, doctor's offices and more.	Brookline MA	\$1,150
City of Chelsea	This funding will create a new shady waterfront park as part of a major renovation of a hot, dangerous, busy industrial thoroughfare.	Chelsea MA	\$3,001
La Colaborativa	The acquisition of a blighted site to create a contemporary workforce training center, with an emphasis on serving Latinx and BIPOC communities.	Chelsea MA	\$750
United Way of Tri-County	The United Way of Tri-County plans to construct 8 new permanent supportive housing units in a built Clinton facility. The facility will house food pantry programming, case management, community partnership programs, client training and development space, Mass211, and other basic needs services.	Clinton MA	\$1,500
CitySpace Inc.	This project will complete CitySpace's rehabilitation of the underutilized Easthampton Old Town Hall into a 350-seat performing arts venue. Preserving its historical integrity, it will provide opportunities for under-resourced artists from Hampshire, Hampden, and Franklin counties.	Easthampton MA	\$3,500
City of Easthampton, MA	Envision Main Street Easthampton is a Complete Streets project prioritizing safety, transit, walking, biking infrastructure, and green spaces. It aligns with the city's 2017 Complete Street Prioritization Plan and their 2020 Downtown Strategic Plan.	Easthampton MA	\$966
City of Everett	This grant will match local funds to renovate Everett's million-square-foot former high school into a safe, welcoming, accessible, resilient community center to protect vulnerable residents during extreme weather while offering on-going essential services to low-income residents and students.	Everett MA	\$5,000

People Incorporated	People Incorporated is constructing a state-of-the-art early education center in the Gateway City of Fall River to provide a premier developmental and learning experience for children that addresses the preschool gap in the city, accommodates low-income families, and provides critical education.	Fall River MA	\$2,000
City of Fall River	The City of Fall River will make streetscape infrastructure improvements to its Waterfront Cultural District, including new roads, sidewalks, lighting, signage, trees, and public art, in order to revitalize this disadvantaged neighborhood, support the needs of residents and long-term development.	Fall River MA	\$1,000
City of Fall River	The City proposes to acquire a new parcel of underutilized land in the heart of its disadvantaged Downtown historic district, a parklet on the corner of Columbia and Canal Streets, and rehabilitate it into a free, accessible, and convenient space dedicated to outdoor recreation and community.	Fall River MA	\$300
Taunton River Waterfront Access Project	The City of Fall River will complete various infrastructure upgrades in and around Bicentennial Park (including adding a gangway to a new pier, constructing a parking lot, and extending a path at the park's entrance) in order to support tourism and boost economic development along the Taunton River.	Fall River MA	\$1,700
Young Men's Christian Association of Cape Cod	Our YMCA is expanding our footprint in Barnstable County which currently provides community early education, before/after school programming, summer day camp, and child nutrition services. This expanded offering of human services will better provide for an unprecedented demand we now experience.	Falmouth MA	\$2,500
South Middlesex Opportunity Council, Inc.	The Fitchburg Permanent Supportive Housing Renovations project will support costs to complete the substantial rehabilitation of 35 Holt Street in Fitchburg, MA, one of the largest lodging houses in the Commonwealth. 35 Holt Street provides 56 single-room occupancy (SRO) permanent supportive housing.	Fitchburg MA	\$250
Fitchburg Public Library	This building project, a renovation and expansion, will preserve the architectural integrity of the Wallace Library while also creating a modernized facility. The Wallace Library renovation includes a purposeful emphasis on workforce development.	Fitchburg MA	\$1,500
MetroWest Regional Transit Authority (MWRTA)	Awarded funds will support the procurement of three fully accessible, heavy-duty, low-emissions vehicles, to be deployed throughout MWRTA's public transit routes. MWRTA remains committed to serving a demand of passengers within MetroWest's high-priority environmental justice (EJ) communities.	Framingham MA	\$1,980
City of Framingham	These funds are requested in support of the renovation of an existing building purchased by the City of Framingham with plans for the space to become the City's first community center. The funds will specifically support the ADA compliance of the space, as well as multiple green energy solutions.	Framingham MA	\$11,000
City of Framingham	The funds are requested for the design/construction of the renovation of the existing Framingham Public School's Farley Building, which is proposed to host public school central offices, all school committee and school-related public meetings in a renovated auditorium space, and more.	Framingham MA	\$12,000
South Middlesex Opportunity Council, Inc.	This project will support the cost to replace the roof at SMOC's headquarters which provides essential social services to the community. This project will make it possible for SMOC to continue providing essential services in a structurally sound building to the most underserved community members.	Framingham MA	\$300

South Middlesex Opportunity Council, Inc.	This project supports the cost to replace and install a new elevator at SMOC's Framingham headquarters and enhance signage throughout the property for wayfinding. The project will strengthen SMOC's ability to continue providing equitable access to social services for underserved communities.	Framingham MA	\$210
City of Gardner, Massachusetts	These funds are being requested to help incentivize developers to improve the facades and commercial signs on businesses throughout the City's commercial districts to attract new tenants for vacant storefronts and new residents to newly created housing units.	Gardner MA	\$1,000
City of Gardner	The City of Gardner's request supports the development of a new Community Center in the former Waterford Street School building. Rehabilitation of the site will transform it into a multipurpose facility for community organizations to provide a range of essential services to residents.	Gardner MA	\$1,300
Gloucester Lyceum and Sawyer Free Library	This spending request is to complete the construction of the 2025 Sawyer Free Library in Gloucester, Massachusetts.	Gloucester MA	\$1,362
Franklin Community Cooperative	Green Fields Market is moving to the former Wilson's Department Store, a derelict building in the center of Greenfield. This move will double the size of the grocery store and double our sales. We will create and retain 120 jobs, revive the downtown, and support the local farm economy.	Greenfield MA	\$2,000
The Society for the Preservation of New England Antiquities d/b/a Historic New England	Historic New England seeks federal funds for the exterior rehabilitation and activation of two historic former shoe factories that will be redeveloped as anchors of a new cultural district and will attract significant investment in the ongoing revitalization of downtown Haverhill, Massachusetts.	Haverhill MA	\$2,000
City of Haverhill, MA	Funding will allow the city to construct a multi-season public plaza that is ADA compliant and supports a thriving, durable, and accessible downtown for all community members. This project is part of a larger-mixed use economic development and community project to further Haverhill's goals.	Haverhill MA	\$2,207
Creative Haverhill Inc	Cogswell ArtSpace reactivates a vacant school into a multipurpose community art center, fostering creativity, collaboration, cultural engagement, and the creation of new jobs. It provides a space to share artistic talents and create new art, enriching the community's cultural fabric.	Haverhill MA	\$1,000
Holyoke Redevelopment Authority	Refurbishing an abandoned, vacant mill (Farr Alpaca Mill) into affordable housing units.	Holyoke MA	\$2,500
Holyoke Redevelopment Authority	For the Holyoke Redevelopment Authority (HRA) to initiate and support development projects in concert with the Urban Renewal Plan (URP) with a focus on establishing grants and loan programs for code/public safety upgrades, green infrastructure and incentives to spur development deserving properties.	Holyoke MA	\$500
LightHouse Holyoke	LightHouse Holyoke and Laudable Productions are co-creating Beacon Soundstage, a live performance venue and music business training program. We will engage youth seeking careers in the entertainment and hospitality industries through training in an active venue featuring nationally touring shows.	Holyoke MA	\$655
Massachusetts International Festival of the Arts (MIFA), Inc.	MIFA will renovate the blighted Victory Theatre property in Holyoke, where nearly 65% of the population is identified as low- to moderate-income. Vacant since 1979, the Theatre will be transformed into a modern center for the performing arts and will act as an economic engine for the region.	Holyoke MA	\$5,000

Cape & Islands Veterans Outreach Center, Inc	Our project seeks to complete the much-needed renovations to provide eight units of net zero energy independent housing to unhoused veterans and deliver necessary services.	Hyannis MA	\$325
Lawrence CommunityWorks, Inc.	Constructing a 50,000 square foot facility to provide inexpensive rental space to businesses/organizations providing affordable services to residents of the surrounding community, having a documented need. This is part of the redevelopment of a 450,000 SF mill building creating housing units.	Lawrence MA	\$3,000
Groundwork Lawrence	This project will support design, permitting, and construction of the Merrimack River Trail at Riverfront State Park in Lawrence, Massachusetts. The work includes construction of a living shoreline, pathway creation, and green stormwater infrastructure.	Lawrence MA	\$2,650
Lawrence Redevelopment Authority	The Lawrence Downtown Housing Development Fund is dedicated to fostering a sustainable vibrant and inclusive downtown. The Fund will back the construction of affordable multifamily rentals, encourage local efforts to streamline housing development and pilot innovative models for workforce housing.	Lawrence MA	\$5,000
City of Lawrence	This request aims to restore three critical bridges in Lawrence, Massachusetts: the Joseph W Casey Bridge, Daisy Street Bridge, and Majowics Bridge. These bridges are vital to our local economy, facilitating commerce, supporting businesses, and ensuring secure and efficient transportation of people.	Lawrence MA	\$3,186
Lazarus House, Inc	Lazarus House is seeking funding to renovate its Ishah House facility and use the refurbished location to replicate its Capernaum Place Transitional Housing Program for homeless families, which provides individualized wrap-around services and life-skills trainings to adult residents, and enrichment	Lawrence MA	\$986
Lawrence Redevelopment Authority	This visionary project will revitalize a vacant parcel into a productive asset, focusing on semiconductor industry growth and domestic manufacturing. It aims to boost economic development and environmental sustainability in Massachusetts.	Lawrence Redevelopment Authority MA	\$5,000
Berkshire Film and Media Collaborative, Inc.	Kemble Street Studios is a mixed studio, lab, and classroom environment to be created in the town of Lenox, Massachusetts. Dedicated to education in the craft of filmmaking, KSS will establish the Berkshires as an international destination for media thought leadership and production.	Lenox MA	\$1,000
City of Leominster, MA	The project will replace a nearly 30 year old elevator at the Leominster Senior Center. The elevator is undersized and not to code. The Senior Center serves as the hub of social activities and resources for our senior citizens.	Leominster MA	\$893
South Middlesex Opportunity Council, Inc.	This project will support the conversion of 40 rooms at the Days Inn hotel into single room occupancy (SRO) permanent supportive housing units for individuals experiencing homelessness. This project seeks to effectively end homelessness among single adults by expanding non-congregate shelter.	Leominster MA	\$4,000
Ginny's Helping Hand, Inc.	For 45 years, Ginny's Helping Hand has offered vital resources, including our food pantry, to those in need. This project strengthens Team Ginny's ability to meet growing demands in North Central MA.	Leominster MA	\$471
World Farmers, Inc.	World Farmers requests funds to purchase 50+acres to launch a new land tenure model supporting small-scale farmers in the Northeast. This model will utilize existing concepts of land transfer and preservation to facilitate economic development in our agricultural communities.	Littleton MA	\$1,200

UTEC Inc.	UTEC's Workforce Development Infrastructure project will complete the final phase of an economic development project in Lowell, Massachusetts that will increase job training opportunities. The project will also enhance the vitality of downtown Lowell by rehabilitating two of its iconic buildings.	Lowell MA	\$773
South Middlesex Opportunity Council, Inc.	This project will support the costs to update building systems and make repairs to the roof, masonry, fire escape, and interior. This project will make it possible for LTLC to continue providing shelter, housing, case management, and supportive services to individuals experiencing homelessness.	Lowell MA	\$578
Boys & Girls Club of Greater Lowell, Inc.	Believe & Become is a Shared Vision that goes beyond renovating and expanding a 50-year-old building to create a state-of-the-art center for youth that is the heart of the community in a gateway city and realizes our vision of ending generational poverty in Lowell.	Lowell MA	\$5,000
Centerboard	Centerboard plans to renovate communal kitchens at our Young Parent Living Program (YPLP) which support young parents and their children. Our units provide a safe haven, address homelessness, and promote health and wellbeing.	Lynn MA	\$373
Gregg Neighborhood House Association, Inc.	Gregg House will centralize childcare services (infant to kindergarten) in a new facility- including classrooms, activity rooms, an onsite playground, and a commercial kitchen- to meet the growing demand for family services and care for low-income families in the Lynn community.	Lynn MA	\$5,000
City of Malden	The Malden River Works project will transform Malden's Department of Public Works yard on the Malden River to incorporate a public, climate resilient riverfront park.	Malden MA	\$2,654
Mashpee Wampanoag Tribe	The purpose of this project is to renovate a former motel property known as the Plaza Del Sol which was purchased by the Mashpee Wampanoag Tribe to provide transitional housing and supportive services for homeless Tribal members. The property is dilapidated and in dire need of repair and renovation.	Mashpee MA	\$1,040
Cultural Alliance of Medfield d/b/a Bellfonge Arts Center	Bellfonge Arts Center is about preserving historic structures and green spaces, and creating an arts and culture resource in an area in our State with a low concentration of such facilities.	Medfield MA	\$2,000
Estimated Start Date: July 1, 2025 Estimated End Date: June 30, 2026	This project replaces the existing building in poor condition, allowing it to serve as an educational center for work-readiness and a resilient community center for the Willis Ave Housing Development and the surrounding community, providing ongoing social services and a location during emergencies.	Medford MA	\$1,600
Zeiterion Theatre, Inc.	This project will renovate and rehabilitate the 100-year-old Zeiterion Performing Arts Center, transforming the facility into an accessible, functional home for the arts and the community.	New Bedford MA	\$4,000
FamilyAid Boston, Inc.	FamilyAid's West Newton Family Navigation Center will offer new emergency shelter units. The FNC combines shelter with on-site educational programs, vocational training, and support services to empower children and parents.	Newton MA	\$1,000
Newton Community Service Centers Inc dba Family ACCESS of Newton	Family ACCESS is requesting funding for a vital renovation of its building to comply with accessibility requirements and MA State Building Code (780 CMR) stipulating that building space used to care for children 2.9 years or younger must have direct exits to the outside or have a sprinkler system.	Newton MA	\$300

Transhealth, Inc.	Transhealth aims to expand our facilities. Securing funding for a premier healthcare center is critical to enhancing access and health outcomes for this marginalized community.	Northampton MA	\$7,500
City of Northampton	The Community Resilience Hub is designed to support residents, especially the most vulnerable, by bringing together emergency shelter and response activities, housing support, social services, and public health activities in one location.	Northampton MA	\$1,983
The Parlor Room Collective	The funding will restore accessibility for the Parlor Room Collective's community music hubs: The Iron Horse and The Parlor Room. Projects include a level wheelchair lift and elevator, ADA-compliant ramps, ADA compliant egresses, and hearing assist systems implemented at both venues.	Northampton MA	\$575
MassDOT	The Town of Northfield seeks to replace the Pauchaug-Schell Bridge spanning the Connecticut River, closed since 1985 due to structural deficiencies. This bridge would reconnect East and West Northfield and join a regional bike and trail network, bolstering economic development in this rural area.	Northfield MA	\$5,000
Town of Norwood, MA	The project is intended to benefit residents, businesses, and visitors to the Town of Norwood as well as ease the regional emergency response burden across Norwood's region by safeguarding critical infrastructure such as the Norwood Hospital (currently being rebuilt in place)	Norwood MA	\$8,919
Berkshire Environmental Action Team, Inc.	BEAT will transform a formerly disused landmark building into an accessible, net zero emissions climate resilience center that links environmental science exhibits to action in the surrounding community. During power outages, community members may visit to warm up, cool down, charge phones and more.	Pittsfield MA	\$700
Town of Plymouth	This project aims to introduce climate resilient and nature-based solutions to public infrastructure within the heart of Plymouth's historic district, to reduce urban heat island effects, manage stormwater runoff, promote safe and equitable accessibility, and improve the overall visitor experience.	Plymouth MA	\$3,000
South Shore Young Men's Christian Association	The South Shore YMCA intends to expand its Germantown Neighborhood Center Food Pantry to increase the number of people facing food insecurity being served and to improve access to the building.	Quincy MA	\$1,000
Quincy Asian Resources, Inc.	QARI will strengthen community-based program referral networks for supportive services that enhance EDI by developing and implement multilingual workshops for low- and middle-income immigrants and CBOs in and around Quincy, MA.	Quincy MA	\$100
Town of Reading	Supporting funds would be utilized to renovate a portion of the Birch Meadow Complex to improve ADA accessibility of playgrounds, provide seating and lighting improvements, and shade trees/landscape.	Reading MA	\$900
City of Revere	The Wonderland Pedestrian Connector will be an elevated pedestrian way between the new commuter rail station currently in planning and the Wonderland Blue Line terminus.	Revere MA	\$2,000
City of Salem	To rehabilitate the historic Salem Superior Courthouse and County Commissioners Building, alongside the construction of mixed-income multifamily units. This high-impact, mixed-use, transit-oriented development will breathe new life into vacant landmarks and offer accessible housing options.	Salem MA	\$3,013

Town of Saugus	Demolition of a decommissioned elementary school to construct a Youth and Recreation Field House to deliver indoor/outdoor programming for youths including year-round out-of-school-time youth development programs, academic support, behavioral health services, sports and other vital programs.	Saugus MA	\$17,000
Mary Lyon Foundation	Mary Lyon Foundation's application to the Fiscal Year 2025 Congressionally Directed Spending Request focuses on a three-pronged effort to enhance social services to West County.	Shelburne MA	\$325
City of Somerville	The Union Square Plaza and Streetscape project will create a dynamic, inviting civic hub and improve access to shops, restaurants, and public transit. Phase 1 will reconfigure the Prospect Street/Webster Avenue intersection and implement safe paths of travel to the Union Square Green Line station.	Somerville MA	\$2,000
City of Somerville	The 299 Broadway Redevelopment project will revitalize a long-vacant, blighted site in Somerville's Winter Hill neighborhood by constructing affordable and market-rate housing and providing retail space for local businesses. It will also create dedicated community and green spaces.	Somerville MA	\$5,000
Town of Spencer, Massachusetts	The purpose of this project is to renovate the historic grandstand at the Town of Spencer's O'Gara Park, home to two ballfields used for community recreation and events. Also, the project replaces the ballfield lighting. The current lighting was installed in the 1970s and the poles have rotted.	Spencer MA	\$946
Hope for Youth and Families Inc.	Funding will be used to rehabilitate the former Citystage, a shuttered venue since 2018, and transform it into a new Youth Arts Center. This project will be a hub for community arts programs, addressing the critical need for accessible and equitable arts opportunities for Springfield youth.	Springfield MA	\$5,000
Springfield City Library	The project will significantly expand and modernize an important public library facility that serves more than 6,000 residents. Improvements will include expanding reading and programming rooms, adding quiet study rooms, upgrading all building systems, and modernizing technology throughout.	Springfield MA	\$1,300
Way Finders, Inc.	Way Finders will preserve critically needed housing for low-income, high-needs residents of its Springfield properties. They will increase accessibility for elderly and disabled tenants, improve energy efficiency, update apartment units, and restore the exterior to maintain structural integrity.	Springfield MA	\$1,500
Springfield Day Nursery d/b/a Square One	Square One is expanding access to early learning and childcare for working families and children. Services also include critical interventions for optimal growth and development, parenting education, support groups, home visiting, and workforce development programming for youth and young parents.	Springfield MA	\$2,000
Springfield Symphony Orchestra	The Springfield Symphony Orchestra seeks support to expand its services to a growing number and diversified array of patrons while simultaneously enhancing the musical experience it provides to the community.	Springfield MA	\$350
Hispanic-American Library	Heritage and Harmony: The Latino Cultural Center in Western Massachusetts aims to celebrate and promote the rich cultural heritage of Latino communities fostering cross-cultural understanding and community cohesion.	Springfield MA	\$500

Revitalize Community Development Corporation	Revitalize CDC requests funding to support construction of a warehouse and distribution center to meet growing demand for its free housing repair and health and wellness programs that serve over 2,500 western Massachusetts residents (low-income families with children, older adults, veterans).	Springfield MA	\$250
Greater Boston Stage Company	Greater Boston Stage Company seeks funds to install new seating with improved wheelchair access, to install an improved "looping" assistive listening system, and for additional renovations of the 1917 Stoneham Theatre - the jewel and economic driver of downtown Stoneham.	Stoneham MA	\$500
Old Colony YMCA	This funding will support the renovation and revitalization of a large family YMCA that provides childcare services, food pantry access, health programs, and youth programs. Formerly a Jewish Community Center, the building still serves as a hub for the local Jewish community today.	Stoughton MA	\$1,450
Town of Stoughton	The Stoughton Train Depot Project will revitalize the Downtown by rehabbing the long vacant historic building that the Town purchased from the MBTA and reactivating it as a Community Center, which will be available to our diverse community for gatherings, cultural exhibits/events, and workshops.	Stoughton MA	\$2,000
Town of Wakefield	The project proposes to complete interior and exterior modifications to provide accessibility to the Town's Albion Cultural Exchange building. Work will include exterior walkway and ramp, a new elevator and interior accessibility renovations.	Wakefield MA	\$675
Waltham Boys and Girls Club, Inc.	This funding request is for a capital project that prioritizes safety, equity, and accessibility. This funding will enable us to build a fully accessible entryway and lobby that includes the installation of an elevator, which will provide access to all levels of the existing building.	Waltham MA	\$1,606
Waltham Boys and Girls Club Inc.	As the primary out-of-school-time USDA meal service in Waltham, we request funding to construct a commercial kitchen that will increase capacity to serve meals to youth facing food insecurity and provide healthy cooking and nutrition classes for our most vulnerable population.	Waltham MA	\$1,524
Island Autism Group, Inc.	IAG requests support to build affordable housing for low-income adults with autism. Specifically, this funding will go towards construction of two four-bedroom residences, each with a separate living space for a live-in caretaker.	West Tisbury MA	\$1,000
YMCA of Greater Westfield, Inc	The Y's renovation and upgrade project is designed to increase accessibility for all to improve wellness and mental health, as well as enhance the coordination of critical community development initiatives including child care, youth and teen engagement, and multi-generational services.	Westfield MA	\$1,500
City of Woburn	The North Woburn Trunk Sewer rehabilitation project aims to address critical infrastructure needs by ensuring the structural integrity and functionality of the sewer interceptor, safeguarding public health, environmental integrity, and community resilience in Woburn, Massachusetts.	Woburn MA	\$2,000
City of Woburn	Create a preliminary design for a pedestrian bridge spanning the train tracks to connect the Anderson Woburn Regional Transit Center (RTC) and New Boston Street, aiming to enhance pedestrian safety and facilitate efficient access between these two key areas in Woburn.	Woburn MA	\$275
Centro Las Americas, Inc.	To ready a major parcel of land, where we propose to build units of affordable housing.	Worcester MA	\$1,372

Boys & Girls Club of Worcester	The project will build a new youth center, a Clubhouse of the Boys & Girls Club of Worcester, in the Great Brook Valley public housing property, to serve 500 kids, ages 5-18. Currently, the Club operates a 3-room, temporary facility in a former fallout shelter, accommodating only 50 kids, ages 8-14.	Worcester MA	\$5,000
NEW GARDEN PARK, INC.	New Garden Park is redeveloping an underutilized industrial site in order to place it back into active use within the community. The funds will allow NGP to create pad-ready sites, creating new development in Worcester and new employment opportunities in the region.	Worcester MA	\$750
El Buen Samaritano Food Program	El Buen Samaritano is requesting \$1,000,000 to purchase a building to be utilized as a Community Empowerment Center. The building would include space for food, hygiene, clothing, and pet pantries, a food distribution center, a wellness center, a multi-purpose community room, and offices.	Worcester MA	\$1,000
Regional Environmental Council, Inc.	REC will acquire and develop an established urban farm and adjacent mill building, creating a regional Center for Urban Farming and Food Security. Proposed facility improvements will significantly increase the number of people in Central Massachusetts with access to healthy local food.	Worcester MA	\$3,000
Trustees of Clark University	Clark aims to create an Innovation and Entrepreneurship Community Engagement Center. We will offer a platform aimed at catalyzing innovation, nurturing emerging businesses, creating workforce development pathways, supporting local culture, and empowering individuals from diverse backgrounds.	Worcester MA	\$2,000
Belmont A.M.E. Zion Church	As a result of the COVID19 pandemic, we were not utilizing our church building for 2 1/2 years. During that time a roof leak occurred which has caused significant damage to our sanctuary and subsequently our fellowship hall underneath where we host a non-profit's weekly food pantry.	Worcester MA	\$874
